

# TOP PERFORMING APPAREL PRODUCTS

Inside Fashion is monitoring what is selling on Amazon in key international markets. This month we look at what's

selling – tracking bestsellers based on number of units sold.

The lockdowns are lifted and Europe

has opened its borders to summer vacationers. While tourism isn't back to where it used to be, there are people

# Bestsellers during July in Germany, the U.K., the U.S. and India markets

taking summer holidays. The same in the U.S. Most vacationers are focusing on domestic travel. All of this means

that there's demand for holiday fashion. Not surprisingly, across all nations, comfortable but stylish tops were selling

well, as were relaxed dresses.

Especially after months of little to no social activity, people want to go out and

# Bestsellers during July in Germany, the U.K., the U.S. and India markets

you think about, pockets are a simple but very practical addition to a garment. This is any easy way to add real value to any

garment at any price point.

Value products, such as T-shirts that had a touch of spandex for better

fit, were also bestsellers.

Consumers are spending carefully, but when the product is right, they will buy.
